IStonsoft Word To EPub Converter Serial Number Full Torrent Free [32|64bit]

-------------------------------- iStonsoft Word to ePub Converter converts Microsoft Word documents and DOCX files to the ePub format, which is the e-book format widely accepted by devices including the iPad, iPhone, iPod touch, and other similar devices. Besides, you can also choose the image format (JPEG or PNG) and graphic style (vector or raster) for the conversion. At the same time, the conversion result is in HTML format, which makes it easy for you to read the ePub file on any tablet PC. Furthermore, the following settings are also available: - Backup option: You can choose to keep or overwrite the original Word file, which can be used as the source file for conversion when you use it in the future. - Output directory: This function allows you to define the output folder on your computer. - Proxy settings: You can choose to use a web proxy or no proxy, the proxy type, address, port, user name and password. - Keep a log: You can keep a log of all the actions taken inside the software. - Other functions: - Conversion preview: you can preview the conversion result in a page before you finish the conversion. - Duplicate Word file: you can duplicate the current conversion process. - Resume: You can resume the conversion after pausing it for a certain period of time. - User-defined XML configuration file: You can add a user-defined XML file to the software, which can be used as a conversion template when you use it in the future. iStonsoft Word to ePub Converter Requirements: -- Windows XP/Vista/7/8/10 Word 2007/2010/2013/2016 ...
