Elden Ring Features Key:

Characters

Weak against magic and high strength, balanced Speed and Agility

Dwarven culture

A fine and kind race

High-quality performance

Fortely-crafted graphics

Other events:

Shape-shifting Prowess

Arrows/Counterspell system

You use counter-force as the main attacking strategy, and enemies have to reply using useful arrows and spells depending on the situation

After watching this video try to avoid drops in DPS by reducing weapon stability and avoiding casting during times it's bad. Second strongest class is Wizard, but leveling Wind Archer takes far less time.

For those of you who have been following us from the beginning, we'd like to present our latest news: FANTASY

We know how precious your time is, and we don't want to waste it! So we decided to bring you the first of our new Fantasy news as soon as possible.

Yes, we've brought some news about our upcoming dungeons as well.

We'll be bringing you more news soon! Stay tuned! If you have any questions for the producers, make sure to add them in the comments below. We also have a fan mail section on our main website, so if you have any suggestions for improvement, feel free to post them there. The staff has finally given in, and have some free time, so we're trying to keep you informed.

Thank you! Tomohiro
